

Yachting Victoria's Vision

Sailing, and boating will be recognised as an enjoyable, accessible safe sport and lifetime recreation for everyone.

Yachting Victoria's Mission

To have more people participating more successfully, and more enjoyably, in boating and sailing at member clubs

Yachting Victoria's Objectives

1. Participation - Encourage the maximum possible number of people to participate at member clubs
2. Strategic Representation - Ensure that the infrastructure is attractive to people and affordable & secure for clubs;
3. Coaching & High Performance - Increase the success of competitive sailors.
4. Training – maximize the number of people trained in boating and sailing at member clubs , and the number of volunteers & staff supporting them
5. Competition Development – increase safe participation in club based events and the expertise of member clubs in event and race management.
6. Service to Member Clubs – Optimise the effectiveness and efficiency of member clubs through the exchange of information and provision of services and advice
7. Admin Secretarial & Governance – ensure our own administration is effective and efficient, and delivers proper governance and support.
